WHO AMP

DJ MightBe JB of Lost'n Sound is a versatile DJ known for creating smooth, energetic sets that blend R&B, hip hop, soul, funk, reggae, dance, pop, and feel good classics. With experience performing at private events, corporate events, nightlife venues, community gatherings, and curated music experiences, he knows how to read the room and create the perfect atmosphere for any crowd.

Whether he's setting a laid back mood or keeping the dance floor moving, DJ MightBe JB brings thoughtful song selection, seamless transitions, and an authentic passion for music to every performance. Through Lost'n Sound, he is committed to delivering memorable experiences that connect people through music.
